CBT – Compulsory Basic Training for new riders. Holders of a provisional licence issued since 1st December 1990 MUST complete this course to validate their licence BEFORE they ride on-road.

L Rider – This vital course includes survival skills and everything you need to get ready to pass your ‘L’ test. Times and days by arrangement with your chosen training scheme. Most training centres can also tailor-make training to suit your individual needs. Contact the course organiser of your chosen centre.
